## Life of a Goddess

### \*\*Chapter 1\*\*

I had always suspected I was different. People would always come up to me and ask why I have blonde hair if both of my parents are red heads. I wondered the same thing too. I've always loved water but had a caring, loving nature. Oh, my name is Cari by the way. It means "Flowing Water," My middle name is Adara which means, "One who is Beautiful."

My parents called me down. So I went downstairs. Like, DUH! They were both sitting downstairs very serious looking. It was CREEPY! "Sit down, darling," my mom said. She never referred to me as darling unless something was bad so she had me scared there too. "We have something to tell you, sweetie." Ok, now this is really bad.

"Yourâ€| adopted." I totally saw that coming. NOT REALLY!
